Two Take Top Honors in Homecoming Parade

Amos Studio Photograph

Sigma Tau Gamma fraternity's "Proud As a Peacock" entry, shown in the top picture, was awarded first prize in the Homecoming parade beauty float division. It exemplified the students' pride in record of the College's first fifty years. Riding on the float were Margaret O'Connor, Gladene Sherard, and Betty Pierce, and Janice Russell.

In the lower picture is the Phi Sigma Epsilon entry which won first place in the humor float division. It odoriferously proclaimed "Rolla Ain't Worth a Scent."

Homecoming, 1955, Features Golden Anniversary of College

In spite of high winds and rain the previous day, the sun shone on Saturday, October 29, to greet an estimated 16,000 persons who came to view the feature attraction of the Northwest Missouri State College Golden Anniversary Homecoming, the big parade. One and one-half hours before the event was scheduled to take place, crowds of people began lining the streets of Maryville along which the parade was to pass.

At 10:23 a. m. a large aerial bomb was exploded, and the College marching band stepped off with a rousing march. Following the band came Mr. 1905, Wayne Boydston; Homecoming Queen, Jean Swanson; and the Queen's attendants, Ann Allison, Judy Beemer, Aileen Turner, and Norma Hawkins.

After the Homecoming royalty came the one and one-half hour long parade of marching bands, floats, clowns, and jalopies. Forty-eight high school bands, the largest number ever to appear in a Homecoming parade, helped lend musical color to the event, and supplementing them were the more than 100 contest entries of the various College organizations.

In the afternoon, activities continued at 1 o'clock with the parade marching bands into the football stadium. Winning bands were given awarded trophies for their performances of merit. In Missouri, Class I, Grant City received first place; Rock Port, second; and Maryville, third. In Missouri, Class II, Pattonsburg received first; Grant City, second; and Oregon, third. Lenox and Sidney received first and second place awards respectively in the Class I Iowa band contest; while New Market and Coin received first and second in Iowa, Class II.

An estimated 7,000 spectators were on hand to cheer the Bearcats on to victory as they defeated the Rolla Miners 11-6 in the Homecoming football game.

Many students, parents, faculty members, and alumni attended the post-game coffee hour held at the home of President and Mrs. J. W. Jones. The lawn and entrances of the residence were decorated with green and white flags in keeping with the Homecoming spirit. Miss Jean Swanson, Homecoming Queen, her attendants, members of the faculty, and faculty wives assisted the host and hostess.

David Carroll's orchestra conducted by Jerry Mercer drew approximately 1200 persons to the Homecoming dance which climaxed the festive weekend on Saturday night. The alumni turnout was said to be one of the largest ever.

At intermission time, Dr. John Harr, general Homecoming chairman, announced the winners of the various contests. Sigma Tau Gamma's "Proud As a Peacock" presentation was awarded first place in the beauty float division. The float was in two sections—the first featured a spinning world with the words "Golden Anniversary" on it while the latter featured a giant representation of a peacock.

Second place went to Sigma Sigma Sigma's ship and Tau Kappa (Continued on Page Two)

Thank You...

To all those who contributed in any way to the success of the 1955 Homecoming I wish to say "Thank you." I realize that the Homecoming activities could not be the success that they are without the cooperation of everybody. I am extremely proud of the student body and the faculty of this college.

U. S. Navy Band Plays For Three Audiences

Under the direction of Commander Charles Brendler and Chief Warrant Officer Richard Townsend the United States Navy Band performed before capacity audiences three times in the College auditorium Monday, October 31.

College students attended a special matinee performance at 2 p. m. while high school students were on hand for a 3:15 performance. A performance for the general public was held at 8:15 p. m.

For the College performance, the band's program included Ansell's "The Windjammer" overture, Perkin's "Fandango," Ballet music from "Prince Igor" by Borodin, and featured tenor soloist Ben Mitchel Morris and English Post Horn soloist Frank Scimon-Pest.

Highlight of the program was the performance of the "Golden Anniversary March," written and conducted by Mr. Earle Moss, director of the College band.

Senate and City Urge Careful Use Of Water Supply

Citizens of Maryville are concerned with the low water supply in the community. What will be done in the coming weeks constitutes a problem, for at the present there is not a way to relieve the situation.

Recent actions taken to help conserve water are working effectively. Townspeople placed restrictions on themselves, limiting the daily consumption of water by several thousand gallons. Cars cannot be washed and lawns cannot be sprinkled.

Here on the campus, water conservation has been discussed by the Student Senate, and bulletins are now being distributed to various places on campus to remind students of the existing problem.

The following statements have been drawn up by Miss Lois Simmons, Don Warford, and Shirley Woodring, acting as a committee appointed by the Student Senate to encourage water conservation on the campus.

Showers
Take showers instead of baths. Turn off faucet while lathering.

Brushing teeth and shaving
Don't run water while actually brushing and shaving.

Shampooing
Use the wash basin and not the shower.

Laundering
Reduce the number of times each week that you launder clothes.

This assembly will mark the second appearance for Mr. Cooke at the College. In four years of lecturing he has rebooked engagements with more than 92 per cent of the groups before whom he has talked.

Born in Chicago, Dwight Cooke has been on the move all his life. He was graduated Phi Beta Kappa and magna cum laude from Harvard University and received his M. A. summa cum laude from Princeton University. He has worked as a farm hand in Nebraska, as writer and editor for Time Magazine, and editor for the movie and radio "March of Time" in New York. He also produced the famous Charlie McCarthy radio hour in Hollywood.

With his headquarters in New York, traveling to Washington once a week when in the United States, lecturing from coast to coast, and flying to Europe, the Near East, North Africa, the Balkans, south of the border, and to every country in Asia, Dwight Cooke talks off the record with the leaders of the world and collects first hand the information which enables him to pinpoint the crisis areas of the earth.

Other plans are being completed by several campus organizations for the observance of American Education Week.

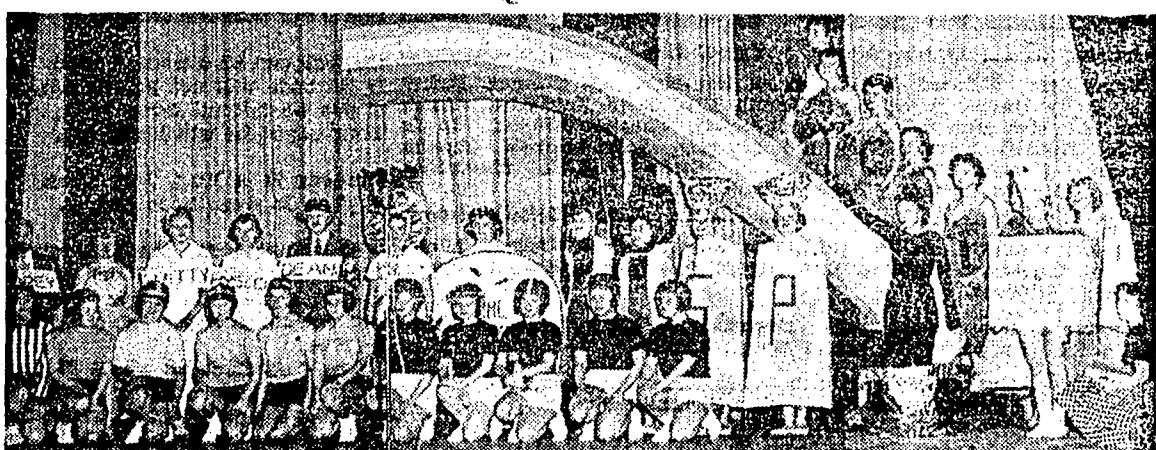

Future Teachers of America are preparing a display to be placed in a showcase on the second floor in the Administration building. The F. T. A. will also give a radio broadcast on Tuesday afternoon, November 8, at 3:05 p. m., over KNIM.

A panel, composed of Dale Brown — moderator, Gwendolyn Grove, Grace Denton, Gary Funderhouser, Mary Fulton, Jim Wiggins, Sidney Jones, Freda Lynch, and Barbara Crowe, will present the subject "Schools: Your Investment in America."

Horace Mann students are planning a back-to-school night for their parents. The date has not yet been set.

American Education Week is annually set aside as a week to urge citizens throughout the nation to support their schools.

Was It a Contest?

During the first assembly of the school year it was announced that there would be an all school beard contest. What happened to this contest? It appears to have turned out to be a popularity contest among a few select individuals . . . As far as "real" beards were concerned they were overlooked and not even taken into consideration.

This contest, if it was to be a contest, should have been an all school affair, since there was the requirement of students to purchase shaving permits. Instead of an all school contest, this farce was run by a few social groups and not by the student body.

Students and faculty members advocate that all school functions should be participated in by everyone and not a select few . . . We leave you with this question "Was this a valid contest?"

Editor's Note

The above letter was presented to the editor by two students of the College. It reflects their concern about a topic which often becomes the subject of argument on this campus—the representation of unaffiliated students in campus elections.

It is true that the Mr. 1905 contest provided that fraternities could select unaffiliated students as candidates, but that fact did not allow those not associated with frats to have any voice in the selection.

Likewise, although the Queen election rules provided that "groups of 25 or more persons" could nominate a candidate, very seldom can unaffiliated students organize into such groups to back a candidate. Perhaps the rules for selecting the Queen could well stand a revision.

Also, the method by which the queen candidates are introduced could stand review. This year's assembly was both embarrassing to the candidates and a waste of the students' time. If the candidates must be formally introduced, why not make it a well-planned occasion, not just a hit or miss impromptu affair.

Perhaps this all seems rather strange, harping about all these things after they are over and done with, but now is the time to consider improvements, during the evaluation meetings, not next year when it is too late to do anything but continue as was done this year.

The Stroller . . .

Well, Homecoming is over and life around the campus is settling down to a low rumble amid the thunderous echoes of last week. The Stroller, for one, is very glad, too, because mid-terms are just around the corner.

A look at the calendar reveals that Thanksgiving is only three weeks away and Christmas vacation is only seven weeks hence. Better start holiday gift shopping before too long.

The Stroller is wondering just how a fellow managed to get entered into the Queen contest. One large banner on the front of the Ad. building read "Aileen for Queen" one minute, and the next minute it changed to "Fred for Queen." Quite a revelation.

Funny noises from the Union public address system caused quite a little comment the other day. The Stroller couldn't tell whether it was electrical interference or Harry Bearcat with another of his interviews.

A few evenings ago the Stroller witnessed one of the most beautiful sights he had ever seen. A B-47 bomber was flying over the campus just after the sun had gone beyond the horizon. The plane was high enough that the vapor trail reflected the sunlight in a bright gold against the deep blue of the clear sky. The sight of the jet skimming across the heavens is certainly one which makes a person wonder at the things which have been brought about in this world.

Under the auspices of the Social Committee, movies are again being shown in the Den on selected Friday nights. Also, on a trial basis, the Union and Den will be open until 9:30 p. m. on Saturday and Sunday nights. Response of students in making use of the facilities will determine whether they will remain open.

Faculty Notes

Members of the Faculty Council this year are the following: Class of 1956, Mrs. Elaine Mauzy, Dr. Leon Miller, and Mr. R. T. Wright; Class of 1957, Dr. Irene Mueller, Mr. William Laferty, and Mr. Donald Valk; Class of 1958, Miss Anna Gorsuch, Dr. Glenn J. Hoffman, and Mr. Donald Sandford.

Ex-officio members are President J. W. Jones, Dean W. A. Brandenburg, and Registrar Robert Foster.

F. B. Houghton, member of the College faculty, spoke before the Craig Kiwanis Club, Monday evening. The meeting had as its theme "creating better understanding between town and country" and was a part of a nationwide program conducted by Kiwanis clubs during the week of October 24-29.

Dr. F. G. Grube, head of the department of English at the College, will be the speaker at the meeting of the public schools of Maryville which will be held at the Eugene Field school, November 18.

His speech will be on the topic of "Two Schools of Thought." It will contain the variety of theories and beliefs in teaching from kindergarten through college.

Dean W. A. Brandenburg recently spoke on a panel before the American Association of University Women when the organization was hostess to the other women's clubs of Maryville at the St. Patrick's Church during the first of the month.

'Dark of the Moon' Cast Works Hard

(Continued from Page One) the general public at 8:15, Tuesday evening.

Set in the mysterious beauty of the Great Smoky Mountains the play is based on the early American ballad, Barbara Allen. The plot of the play, and the ballad tells of the love of a witch boy for the mountain girl, Barbara Allen:

A witch boy from the mountain came,
A-pinin' to be human,
Fer he had seen the fairest gal—
A gal named Barbara Allen.

O Conjur Man, O Conjur Man,
Please do the thing I'm wantin'—
Please change me to a human man
Fer Barbara I'd be courtin'.

Now Barbara had a red, red dress,
And one she had of blue.
And many men did Barbara love,
But never was she true.

Oh, you can be a man, a man,
If Barbara will not grieve you,
If she be faithful for a year,
Your eagle, he will leave you.

Ferever is a long, long time.
A year is sometimes longer.

In planning for the production, Mr. Fulsom, the cast, and several drama classes have been preparing special scenery and lighting effects.

The cast includes about 37 persons who are working hard to make it a production of which the College can be proud. Many in the cast were in last year's drama productions. "Arsenic and Old Lace" and "Barefoot in Athens."

Imaginative intermingling of comedy, drama, singing, dancing, and tragedy by the writer, plus the special scenery, costumes, and unusual lighting, promises to make "Dark of the Moon" an unusual and enjoyable dramatic presentation.

Movie Review

On Friday evening of this week, the Social Committee will again present a feature-length movie in the Bearcats' Den at 7:15.

Entitled "I Was a Communist for the F. B. I.", the picture stars Frank Lovejoy in the role of Matt Cvetic, a F. B. I. agent who posed and lived as an American communist. The story tells how Cvetic fooled even his closest friends and later trapped red partymen with his court testimony.

Notice

Attention All Students! Do you want the Bearcat Den, the Union Lounge, and the TV Room open Saturday and Sunday evenings? During the month of November, the Den and the Lounge will be open until 9:30 p. m. on Saturdays and Sundays, as well as on other days. Your use of these facilities will indicate your interest in this increased service and will determine whether or not the Union will continue to be open Saturday and Sunday evenings on a permanent schedule.

Homecoming, 1955, Features Golden Anniversary

(Continued from Page One)

Epsilon's wheel of progress. Phi Sigma Epsilon's "River of No Return" received third place honors while Alpha Sigma Alpha, Delta Sigma Epsilon, and the Independent Club tied for fourth.

In the humorous float division, Phi Sigma Epsilon's skunk which proclaimed "Rolla Ain't Worth a Scent" was awarded first prize money, while Sigma Tau Gamma's "This Ain't No Gravy Train" received second place honors. Third place went to the Ag. Club and fourth place to Alpha Sigma Alpha. Floats receiving honorable mention were the A. C. E., Independent Club, Sigma Sigma Sigma, and Delta Sigma Epsilon entries.

Phi Sigma Epsilon produced the best jalopy. Tau Kappa Epsilon was second, and Alpha Sigma Alpha, third, while the Independent Club and Sigma Tau Gamma tied for fourth. The best group of clowns was also entered by Phi Sigma Epsilon. Tau Kappa Epsilon received second, Sigma Sigma Sigma and Sigma Tau Gamma tied for third, and Alpha Sigma Alpha came in fourth.

In over-all parade participation Sigma Tau Gamma received top honors. Tau Kappa Epsilon and Phi Sigma Epsilon tied for second. Sigma Sigma Sigma was third, while Alpha Sigma Alpha and the Independent Club tied for fourth place.

Winner of the 1955 Homecoming variety show was the skit entitled "Our Fortune," presented by the Sigma Sigma Sigma sorority. The skit depicted life at the College including scenes of the Union, the teachers, the ball game, and the dance. Ruth Tebow was the vocalist and Barbara Julius was the pianist.

Second place went to the Alpha Sigma Alpha sorority for their entry entitled, "Bearcat Museum." Third place winner was the Tau Kappa Epsilon fraternity with, "Oh Hell." The Phi Sigma Epsilon and Sigma Tau Gamma fraternities tied for fourth and fifth places. Their presentations were "Through the Years" and "The Battle of Davey Crew-Cut," respectively.

Despite the wind and rain, a whirling roulette wheel with the numbers and the names of the gridiron Bearcats captured first place in the house decoration contest. A warning to the Rolla team, "Miners, this ain't no wheel of chance," appeared on the decoration that was engineered by Sigma Tau Gamma.

In second place was the Phi Sigma Epsilon decoration of a flying rocket ship. A sign saying, "Blast the Miners," accompanied the decoration. Third place winner was the Alpha Sigma Alpha's decoration of a birthday cake topped with five candles representing each decade of the past fifty years. Fourth and fifth places went to Tau Kappa Epsilon and A. C. E., respectively.

Many cards, telegrams, and floral bouquets, congratulating the College on its Fifteenth Anniversary Homecoming, have been received by President J. W. Jones.

Trio Prepares for Music Concert

Division of Music Announces Chamber Music Concert Dates

Students and faculty members of the College and residents of Maryville and vicinity will have a rare treat in store for them on Sunday, November 13, when the Division of Music will present a chamber music concert in Horace Mann auditorium at 3:30 p.m.

The concert will be presented by a trio of musicians:

Hugh B. Williams, violinist; Donald Sandford, violist; and Mary Jane Sandford, pianist.

Mr. Williams is a guest artist from Central Missouri State College at Warrensburg. Mr. and Mrs. Sandford are members of the College music faculty.

A concert is being presented as part of the celebration by the Division of Music for the Anniversary Year.

On the program, the trio will play a Sonata in D Major for Violin, Viola, and Piano by Jean LeClair. This will be followed by a Mozart Duo for Violin and Viola, which is being presented in recognition of the 200th anniversary of Mozart's birth.

Mr. Williams will play two violins—Saint Saens' Introduction and Rondo Capriccioso, Opus 28, and the polka from "The Age of Gold" ballet by Dmitri Shostakovich.

Including the program will be a Joseph Jongen trio for violin, viola, and piano. This was written in 1907 when the College was only 2 years old.

In addition to the chamber music concert here, the trio will also appear at the joint state convention of the Missouri String Teachers Association and the Missouri Musicians Association which will be held at Northeast Missouri Teachers College, Kirksville, November 7.

News Notes**From the Quad**

With the quads filled to capacity, there have been many activities for men living on the campus since school started; everything has happened from the playing of intramural football games south of Quad Six to the repairing of cars north of Quad Five.

Probably the most hair raising event so far has been just that—hair raising! While many men grew beards, others simply quit shaving; and that is the result of the wonderful past six weeks of no cuts, no stinging shaving lotions, or getting out of bed fifteen minutes earlier in the morning to perform the usual task.

Many men at the quads are expecting long overdue letters from their uncle, Uncle Sam, that is. The V. A. has also felt the surge of returning K-vets.

Mrs. Blanche Lawler and Mrs. Blanche Damewood are on the staff caring for the quads. Mrs. Damewood spent the summer vacation with relatives in Bedford, Iowa. Mrs. Lawler stayed on campus during the summer session and afterwards enjoyed a short vacation in Kansas City and in Bedford, Iowa.

Kappa Omicron Phi

Recently Kappa Omicron Phi, the honorary home economics fraternity, pledged four new members: Mrs. Mabel Cole, Mrs. Bette Cox, Diane Robbins, and Barbara LaMar. Initiation for the new pledges has been set for November 30.

Kappa Omicron Phi participated in the Homecoming celebration by decorating a window downtown and entertaining alumni at the organization's coffee hour.

Miss Mabel Cook, national president of Kappa Omicron Phi, will go to Kearney, Nebraska, November 19, to install the Alpha Omicron chapter of the national fraternity. She will be accompanied by Ann Bridgewater—president of the Alpha chapter, Erma Dean Grabill, Carolyn Mix, and Betty Cooksey.

**Letterman's Club
On Campus Has
Fourfold Purpose**

Here on the campus of the College an observant person may notice some bright green jackets clashing with the paint jobs of Jack Frost. These jackets are worn by representatives in the sports world of the College who have received letters in either football, basketball, or track.

Many persons have asked why tennis and golf lettermen aren't allowed in this club. Since these two sports are in the competitive ranks, there should be no reason for not admitting these lettermen to the club. The same goes for baseball which will be starting this spring.

The purpose of the club is fourfold: to attain the highest scholastic standing, to command respect for the "M", to band all lettermen together, to promote better athlet-

Officers of the club are as follows: Jack Spence, president, a track letterman; Ric Tilton, vice-president, also a track letterman and president of the TKE fraternity, and a social committee member; Fred Maher, track and football letterman, is the secretary; Weldon "Dinker" Dowden holds the treasurer's job. Dowden is a senior and lettered in basketball and track. John Schulze, football and track letterman, is the sergeant-at-arms.

Others who help make up the group with a letter in a major sport are the following: Ernie Hutchings, senior, football; Ron O'Dell, junior, football; Daryl Flint, senior, basketball; Dale Hague, senior, football; Mickey Anderson, senior, track; Bill Cain, senior, football; Darrell Walker, junior, football; Larry Rowley, junior, football; Lex Creamer, senior, basketball; Mickey Mallen, junior, football; Mike Hutchison, junior, basketball.

Lou Linville, junior, track; Jerry Dancer, senior, football; Bob Smith, senior, basketball; George Haskey, junior, football; Vic Cromer, junior, football-track; Logan McGinnis, junior, basketball; Dana Sharp, junior, basketball; Doyle Hendrickson, junior, track; Don Schenkel, senior, football; Ed Messbarger, senior, foot-

ball; Harold Greaves, junior, football; Russ Davenport, sophomore, football; Jerry Davis, junior, track; Larry Butler, junior, track; Bill Burnham, junior, track; Ralph Pierce, junior, track; Floyd Worley, sophomore, track; John Watson, junior, track; Wayne Jackson, sophomore, track; Larry Bolar, sophomore, track; Glee Guess, sophomore, track.

**Bearcats Are Ready
To Win Final Game**

Saturday afternoon the Bearcats will play their last football game of this season when they meet the Springfield Bears in Springfield. This game will feature the Bears' Homecoming and will be played at 2:00, November 5.

This year the Bears will be trying to avenge the 20-6 loss handed them by the 'Cats last season.

Coach Milner and his aides have been putting the Bearcat squad through long and strenuous drills in prepara-

tion for the Homecoming tussle with the Bears.

Nearly all the Bearcats are in shape for this game except for the usual minor injuries and bruises which should be all right by game time.

The Bears, three deep in every position, must not be taken lightly. Although the Bears lost their first four MIAA contests, they will be up for their Homecoming and the 'Cats. This should prove to be one of the better games of this season.

Springfield is a long distance from our campus and it is doubtful if many Bearcat followers will be able to make the trip, but all will be able to hear the game on KNIM as Dr. Sterling Surrey will be on hand to broadcast the play by play description.

Everyone is hoping for another Bearcat victory and this Saturday should prove to be their third MIAA win of this season. Good luck, Bearcats!

**Bearcats Upset Favored Rolla
To Win Homecoming Game, 11-6**

The NWMSC Bearcats' eye-fence stiffened and Rolla lost a perfect Homecoming game record, pressed the visiting Rolla Miners Saturday afternoon and sandwiched a touchdown between two safeties for an 11-6 victory.

A roaring crowd of 7,000 partisan fans saw the Bearcats on the defensive all afternoon and behind in everything but the score. It was the second time since 1946 that a State College team has defeated the Miners.

The visitors were power laden. They took the opening kick-off and moved straight down the field in a 78-yard march on five first downs for a tally.

Roger Feaster, flashy Rolla quarterback, kept the ball and slanted off tackle from the Maryville 3 for the Rolla tally in 8 minutes. But Maryville ends rushed the kicker and the conversion point kick was smothered.

Maryville took the ball on their own 48 after the kickoff. But they couldn't dent the strong Miner line and kicked. The Miners took the ball on their own seven. The visitors tried one play and moved the ball to their 10.

Then a bad pass from center sent Perry Allison, Rolla halfback, running to pick up the ball. Fred Maher, Maryville halfback, tackled him behind the Miner goal for the Bearcats' first two-pointer.

Rolla's miscues were costly to the visitors and prevented them from continuing drives or scoring.

The Bearcats took the second half kick-off on their own 37 and moved the ball to the visitors 10, where a Maryville player fumbled and a Miner recovered.

Rolla ran one play and fumbled, with Maryville recovering on the Rolla 20. The Bearcats moved the ball down and Mickey Mallen scored on a hand off over tackle. Ron O'Dell kicked the conversion point, giving the Bearcats a 9-6 lead.

Rolla took the ball on their own 33 on the subsequent kick-off and moved it straight down to the Maryville 10 but the Bearcat de-

livered a perfect Homecoming game record, pressed the visiting Rolla Miners Saturday afternoon and sandwiched a touchdown between two safeties for an 11-6 victory.

Rolla moved down again to Maryville 10 where Dick Powell intercepted a Rolla pass in the fourth quarter.

The finest play of the game occurred soon afterward. Darrell Walker, who played a great game, displayed some outstanding kick-kicks a 76-yard punt.

Bob Hammond, Rolla halfback, slipped through his fingers into end zone, and Jerry Donald Bearcat end, hit him hard before the goal for a second safety. Hammond was injured on the play and had to be carried from the field.

But the Bearcats led 11-6 and kept their record of winning Homecoming victory and their 11th win over Rolla since 1946.

Playing their final home game Maryville were Ron Wray, tackle; Ed Messbarger, right guard; Dale Hague, tackle; Dick Wogan, and Don Schenkel, guard.

The game was preceded by a parade in the downtown and watched by more than 16,000 sons.
